

## Language Policy in the (Transnational) Family

Dear colleagues,

The main aim of this special issue is to bring together scholars working on the most intriguing aspects of (transnational) family language policy research, including but not limited to:

- multilingualism
- home/heritage language maintenance
- digital literacies, digital practices
- translanguaging
- multilingual families and multilingual socialization
- multilingual families and media
- education and home/heritage language development
- multilingual education
- multilingual special education
- teachers' and parents' attitudes on home/heritage language maintenance and development
