

Agreement on the Licence for the Use of Copyright on Environmental and Social Psychology

Article Title:

Copyright Owner:

In compliance with the Copyright Act 2021 of Singapore, the undersigned copyright owner (agent), on behalf of all copyright owners of the above work, licenses the reproduction right, distribution right, information network communication right, translation right, compilation right, adaptation right and broadcasting right of the work to the Editorial Office of Environment and Social Psychology from the date of signing this agreement. The geographical scope of the licence is worldwide, and the duration of the licence is the period of legal protection of the copyright of the work.

The copyright holder guarantees that the work is original, does not infringe on the copyright of others, and has not been published in any form or in any language at home or abroad. The copyright holder solemnly undertakes not to submit the above work for publication in another journal, or else he/she will be held liable for all damages and losses arising therefrom. The editorial team of this journal relies on the Copyright Act 2021 of Singapore. Once a work is published, it will be deemed that the Journal owns the right to use and sub-licence the print, electronic and online versions of the article.

I have read and agree the copyright notice of Environment and Social Psychology.
